

France Conseil Elevage represents Conseil Elevage companies.

Some key figures on the Conseil Elevage network for the dairy cow and goat businesses:

70 Conseil Elevage companies cover the entire French territory
67% of milk producers with 10+ cows
32% of goat farmers with 10+ goats
69% of dairy cows
40% of goats
83% of cow's milk collection
47% of goat's milk production

MISSIONS AND FIELDS OF ACTIVITY

- **Represent, defend and promote** the France Conseil Elevage network
- **Coordinate** the network and provide an exchange platform for members
- **Guarantee the quality of official data**
- **Offer services**
- **Innovate, anticipate and analyse**, especially for “**Giving meaning to measurement**” (France Conseil Elevage’s motto) by producing practical indicators for providing advice to farmers, and benchmarks to guide advisers and the industry.

GOVERNING BODIES

A Governing Board of farmers and directors from across the industry (cow’s and goat’s milk and Bovins Croissance*), steer FCEL and are accountable for its work.

* *Bovins Croissance: breeders of lactating cows*
